	<u>BUY TONIC MICELLAR CLEANSING</u>
Description	
<p>Cleansing micellar tonic Reveline series is designed for gentle and effective removal of makeup from the face, eyes and skin cleansing. Removing makeup, various contaminants inevitably deposited on the surface of the skin during the day, as well as waste products of the cells of the epidermis, sebaceous glands, and other dermal structures, is an important step in your daily skin care. This procedure prepares the skin for further care, its quality depends on the effectiveness of the use of other cosmetic products.</p> <p>The combination of tonic caring ingredients, moisturizing ingredients, mild surfactants for maximum cleansing and unrivaled ease and comfort and promotes optimal penetration of the active components in the follow-up care.</p>	
Application method:	
Use morning and evening to cleanse the skin with a cotton disk. Rinse micellar tonic water.	
Ingredients	
Water, poloxamer 184, hydrolat witch hazel, isopropandiol, hydroxyethyl urea, betaine, coffee green extract, panthenol, deceth-7 (and) PEG-40 hydrogenated castor oil (and) PPG-26 (and) buteth-26, methylchloroisothiazolinone, me- thylisothiazolinone, perfume.	
Main components	
Hydrovance <p>The formulation contains moisturizing tonic supplement Hydrovance with the aesthetic properties of the modifier. It is an innovative system that provides excellent wetting process through the ability to hold water molecules in the deepest layers of the skin for a long time. Hydrovance also helps exfoliate dead skin cells without breaking the barrier functions,</p>	

improves elasticity and gives a feeling of comfort.

Natural betaine

Natural betaine - a clean, refined raw materials obtained from sugar beet juice. It belongs to a class of amino acids and exhibits proven effectiveness as a cosmetic - promotes active moisturizing, conditioning and relieve irritation. This component also protects cell membranes and stimulates cellular respiration of the skin due to the content in its composition other natural substances - inositol, which is a structural part of cell membranes.

Hydrolat hamamelis

Hydrolat witch hazel, which is part of the tonic, has excellent tonic properties, contains flavonoids and tannins, which makes it indispensable in the care of flaccid, flabby skin with age-related changes. It rejuvenates, restores the structure of the epidermis, the skin smoothness and elasticity. It will help in the fight against rosacea, as has the property to strengthen the walls of blood vessels.

The extract of green coffee

The extract of green coffee as part of a tonic enhances metabolic processes, promotes detoxification, strengthening and alignment of the skin, relieve edema, has a tonic effect. By stimulating cellular metabolism, it significantly improves microcirculation and lymph flow, activates the enzymes responsible for cell regeneration and the overall energy exchange.

Panthenol

Panthenol contributes to the shortfall of vitamin B5 necessary for the activation of regenerative processes in the skin, improve metabolism and microcirculation.
